

AFTER SCHOOL PROGRAM

We focus on Education and Creative Arts

We provide a safe, supervised place for children to explore interest in arts, learn new skills, get homework assistance, additional tutoring and spend time with peers.

Children are encouraged to use after school hours to complete homework assignments, study for tests, work on projects and receive help to improve their grades and excel in the classroom.

Children have the opportunity to take weekly **art lessons** to enhance their education. Lessons and materials fees are included in the tuition. They can also participate in our Student Art Shows twice a year. (Optional)

Children have snack and play time.

The program runs on regular school days beginning after school hours until 6:30 pm. For safety, please pick up your child on time. Children from Pre-K to 5th grade are eligible to participate in our after school program. Transportation is available from Suwanee Elementary School and Roberts Elementary School.

Fee: \$75 / week Registration fee: \$25 (Non-refundable) Late fee: \$10
* **If a child is to be absent parents must call to notify prior to the end of the regular school day.**
